MAIN FLOOR

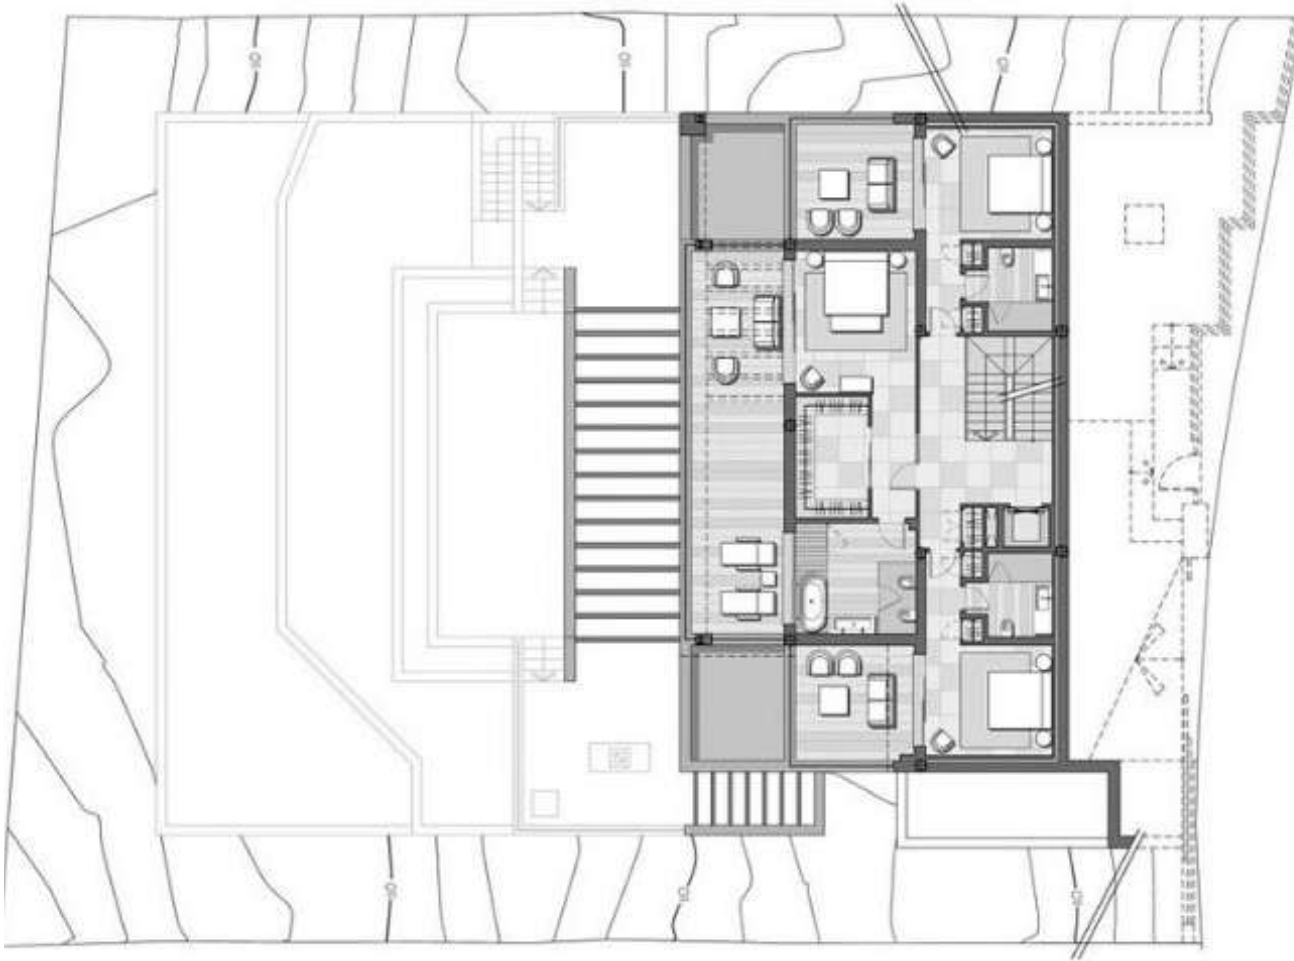

UNOBSTRUCTED VIEWS

The stunning design of this villa's contemporary architecture creates a linear, clean and functional style, creating spacious and bright spaces.

Created by renowned architects Rodolfo Amieva Jacobson and Diego Macías Domínguez from González & Jacobson Arquitectura, Villa Cascada is a reflection of mindful design and sustainability. Featuring natural elements – stone, wood, light colours, large format flooring, floor to ceiling windows and magnificent outdoor spaces.

Featuring two floors for a total built of 370m² + 289m² of terraces and porches.

SECOND FLOOR

AMAZING OPEN SPACE

On the top floor is the master ensuite bedroom with a large walk-in wardrobe and spa style bathroom. There are two further bedrooms with private terraces and all boasting sleek en-suite bathrooms, generous closets and wonderful views.

The lower level houses the living-dining room, kitchen and the fourth ensuite bedroom. The living room flows to the large terrace and pergola area which overlook the pool and garden.

Where the interior merges with the outside, inviting you to enjoy Mediterranean skies and the wonderful Spanish weather throughout the year.

Interior Design

AMBIENCE HOME DESIGN

by Andrea Böck

German-born interior designer and curator founded Ambience in 2002. Her unequivocal taste for contemporary and luxurious interiors has launched Ambience to become the leading interior design firm on the Coast.

The driving force behind Ambience is to uniquely create and transform environments for people to enjoy and live in – fusing culture, drama and distinct designs that evoke personal taste, passion and timeless beauty.

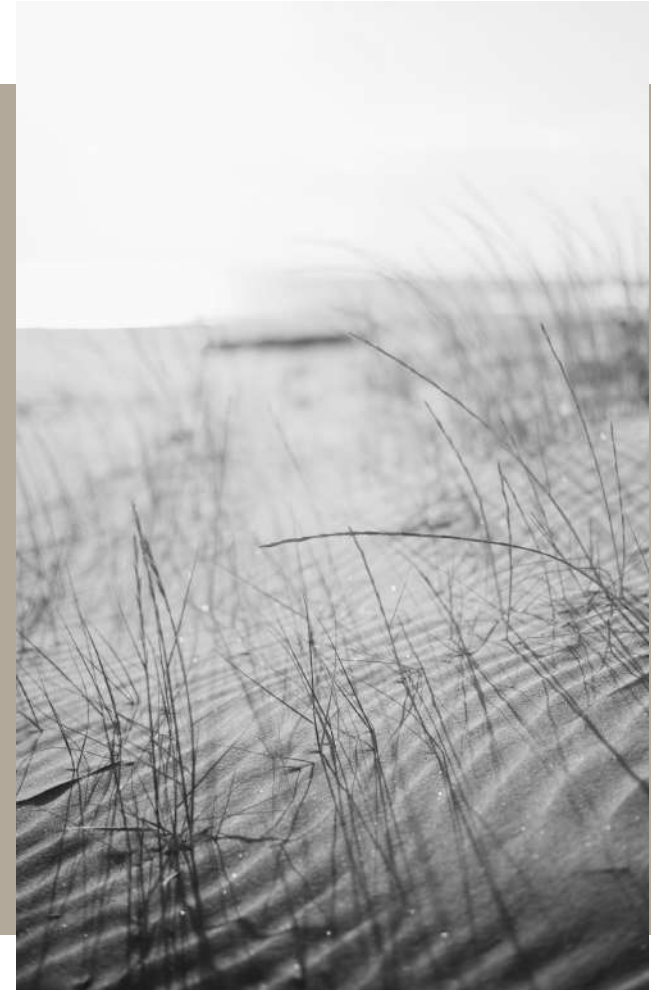

TIMELESS ELEGANCE

A renaissance in creative bedroom design, the space where you want to 'unplug'.
